DESCRIPTION

Concentrated product for dissolving and cleaning oils greases and residues of fats. Removes mechanical oil, grease, animal fats and vegetable oils in industries, garages, restaurants and kitchens. Thoroughly cleans porous and absorbent surfaces from oils and fats. It can be used in marbles, granites, cement, tiles etc. It is alkaline and doesn't damage surfaces that are sensitive to acids.

APPLICATION

Dilute the product and mop or rub the surface with a brush. Always try the product in a small area to determine if you have the desired results.

For the initial cleaning **150ml** of product in **3L** of water.

For maintenance Dilute **75ml** of product to **3L**. Then rinse the surface with clean water or mop with plain water.

INFORMATION ON STORAGE AND HANDLING
