DESCRIPTION

A mild detergent for polished marbles and floors sensitive to acids. Cleans & polishes marbles, granites, parquets, laminates, linoleum, etc. while also protecting the floors from the rebuilding of dirt and daily wear and tear. Provides excellent cleaning action while also it spreads small particles which prevent the adhesion of pollutants and polish the surfaces.

APPLICATION

Always read the label of the product. Apply it first on a small surface to ensure the if you have the desired results and determine the ease of application. Add 4 lids in 6 L of water and mop the surface. No rinsing is required. You can increase the quantity in cases of very soiled floors

INFORMATION ON STORAGE AND HANDLING

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
